A note from the Board

We could not be any prouder of the 11 groups that auditioned for this year's production. Whether your group was selected or not, you should feel immensely proud of the hard work, creativity, and dedication you gave to creating such wonderful shows. MAGIC truly was IN THE MAKING of these shows, and we enjoyed watching the friendships and memories being created along the way. We are so grateful to all of you and hope you realize that you are the reason for Rock Chalk Revue's ongoing success.

The Board would also like to extend a huge thank you to the alumni involved in judging and fundraising thus far. We appreciate your time, commitment, and efforts very much!
